

## GRID SUMMARY OF FACULTY CRITERIA

2016-12-07

Track name:	SOM	BSD
BSD Guidelines	<a href="http://tiny.cc/BDSPathways">http://tiny.cc/BDSPathways</a> (please consult; this is the definitive reference)	
Meaning of name:	The definitions of the categories, and not their names, determine their nature.	The definitions of the categories, and not their names, determine their nature.
Enabling University Statute	§11.2.1.1	§11.1
Significant contribution to education, and citizenship	Required	Required
Significant contribution to clinical mission	Required except in rare circumstances	When part of 'job description'
Scholarly activity	Usual; nature, quantity, and quality as appropriate for protected or academic time. See <a href="https://bsdacademicaffairs.uchicago.edu/page/scholarly-activity-som-track">https://bsdacademicaffairs.uchicago.edu/page/scholarly-activity-som-track</a>	High quality peer-reviewed publication or equivalent; grants
PI eligibility	Automatic	Automatic
Philosophy	Judged on the entirety of their contributions to the BSD and University in the three primary missions; multiple pathways to advancement. Appointment and promotion will consider the total of the contributions in the three missions, patient care, education, and scholarship, and weight these contributions in proportion to the time spent on each mission	Appointed primarily because of their potential to make world-class contributions to knowledge, who devote the vast majority of their effort to scholarship, and whose performance as faculty is judged primarily by their scholarly contributions
Prestige, quality:	Equivalent to other track	Equivalent to other track
Tenure	Available but not required	Required, by the time specified
Requirement for tenure:	Impactful knowledge that brings high distinction to the BSD, normally judged by the quality of the peer-reviewed publications that describe it, compared to that produced by the very best tenured scholars in comparable positions within peer programs in the specific specialty/discipline, and by success in peer-reviewed funding; see <a href="https://bsdacademicaffairs.uchicago.edu/page/tenure-som-and-cs-tracks">https://bsdacademicaffairs.uchicago.edu/page/tenure-som-and-cs-tracks</a>	Impactful knowledge that brings high distinction to the BSD, normally judged by the quality of the peer-reviewed publications that describe it, compared to that produced by the very best tenured scholars in comparable positions within peer programs in the specific specialty/discipline, and by success in peer-reviewed funding
Employment ends at end of term unless	Departmental faculty eligible to vote recommend additional appointment; Dean endorses after review; Provost and/or President approve after review.	Departmental faculty eligible to vote recommend additional appointment; Dean endorses after review; Provost and/or President approve after review.
Movement to other track	Allowable via successful tenure proposal; see <a href="https://bsdacademicaffairs.uchicago.edu/page/tenure-som-and-cs-tracks">https://bsdacademicaffairs.uchicago.edu/page/tenure-som-and-cs-tracks</a>	Via application for an open, non 'ad hoc' SOM faculty position. Allowable until the 5th year as BSD track assistant professor, but not to avoid a negative appointment decision.
Help:	<a href="http://tiny.cc/BDSCareerDevelopment">http://tiny.cc/BDSCareerDevelopment</a>	<a href="http://tiny.cc/BDSCareerDevelopment">http://tiny.cc/BDSCareerDevelopment</a>

The above is in response to faculty requests for a table that differentiates the BSD faculty tracks and summarizes relevant information. The abbreviated information therein omits many important details, and **must not** be regarded as definitive or complete. Most importantly, every faculty appointment decision involves an element of judgment that cannot be tabularized. This presentation is for information purposes only, is not intended to create any contract or agreement, and is subject to addition, deletion, and change without prior notice. For definitive information regarding processes, procedures, and policies, contact the BSD Office of Academic Affairs.

## GRID SUMMARY OF FACULTY CRITERIA

2016-12-07

<b>PROCESS</b>		
New appointments	After search is complete, Section/Department follows its normal process and eligible faculty vote to recommend appointment; endorsed by Dean (after advisory review by Committee on Appointments and Promotions [COAP] for associate and full professor); approved by Provost	
Reappointments	Section/Department follows its normal process and eligible faculty vote to recommend reappointment; endorsed by Dean (after advisory review by Committee on Reappointment of Assistant Professors [COROAP] for SOM track assistant professors and Advisory Committee on Assistant Professors [ACAP] for BSD track assistant professors); approved by Provost	
Post-first-reappointment advisory review	For BSD track assistant professors and SOM track assistant professors with ~50% or more time protected for scholarship. Advisory Committee on Assistant Professors [ACAP] for BSD track assistant professors) prepares report for the assistant professor. Normally in fifth year.	
Promotion and/or tenure	Section/Department follows its normal process and eligible faculty vote to recommend; endorsed by Dean (after advisory review by Committee on Appointments and Promotions [COAP]); approved by Provost	
<b>RANKS</b>		
Model CVs:	<a href="http://tiny.cc/compendium_docx">http://tiny.cc/compendium_docx</a> (download .docx) <a href="http://tiny.cc/compendium_doc">http://tiny.cc/compendium_doc</a> (download .doc)	
<b>Professor</b>		
Criteria:	Among the leading figures in a significant area of biology or medicine, when compared to leading faculty members of similar experience and seniority at other top ranked departments and/or institutions, and expected to continue as such; normally outstanding clinicians in their respective fields competent to provide a level of care that is unambiguously at the highest level	Among the leading scholars in a significant area of biology or medicine when compared to leading faculty members of similar experience and seniority at other top ranked departments and/or institutions, and expected to continue as such
Documentation of clinical acumen	See <a href="http://tiny.cc/clinical_acumen">http://tiny.cc/clinical_acumen</a>	Seldom relevant
Timing	As soon as criteria are clearly satisfied	As soon as criteria are clearly satisfied
How department decides readiness:	<a href="https://bsdacademicaffairs.uchicago.edu/page/departmental-processes-assess-readiness-promotion-associate-professor-full-professor">https://bsdacademicaffairs.uchicago.edu/page/departmental-processes-assess-readiness-promotion-associate-professor-full-professor</a>	
Education and citizenship	Required	Required
External recognition:	Encouraged, expected in most cases, but not required as long as the contributions to our own programs are clearly outstanding and the faculty member is highly productive.	Implicit in stature as “among the leading scholars”
Effective date of promotion	When approved or recommended	July 1 following approval
Exemplary credentials:	<a href="https://bsdacademicaffairs.uchicago.edu/page/reappointment-and-promotion-materials-currentrecent-faculty">https://bsdacademicaffairs.uchicago.edu/page/reappointment-and-promotion-materials-currentrecent-faculty</a>	
<b>Associate Professor</b>		
Criteria:	On the pathway to full professor (see above); contributions to each BSD mission receiving equal credit normed for time devoted to each mission, comparable to those of existing associate professors	Body of scholarly work of the highest quality characterized by originality, rigor and importance in comparison to others in their respective fields at the same career stage
Education and	Required	Required

## GRID SUMMARY OF FACULTY CRITERIA

2016-12-07

citizenship		
External recognition:	Encouraged, expected in most cases, but not required as long as the contributions to our own programs are clearly outstanding and the faculty member is highly productive.	Normally implicit in scholarship that appears in high-quality peer-reviewed journals and is supported by peer-reviewed funding, although verifiable by other means
Documentation of clinical acumen	See <a href="http://tiny.cc/clinical_acumen">http://tiny.cc/clinical_acumen</a>	Seldom relevant
Exemplary credentials:	<a href="https://bsdacademicaffairs.uchicago.edu/page/reappointment-and-promotion-materials-currentrecent-faculty">https://bsdacademicaffairs.uchicago.edu/page/reappointment-and-promotion-materials-currentrecent-faculty</a>	
Normal time at this rank:	Median time to next promotion is ~6 years	Median time to next promotion is ~6 years
Maximum time in rank:	No limit	No limit if tenured; otherwise 3 years
Exceptions to maximum time in rank:	N/A	If untenured, for becoming a parent or other reasons; see <a href="http://tiny.cc/StopTheClock">http://tiny.cc/StopTheClock</a>
Timetable	See <a href="https://bsdacademicaffairs.uchicago.edu/BSDappointiveprocessguidelines">https://bsdacademicaffairs.uchicago.edu/BSDappointiveprocessguidelines</a> , Item 7	
<b>Reappointed Assistant Professor</b>		
Criteria:	High probability of promotion to associate professor	High probability of promotion to associate professor
Education and citizenship	Required	Required
Career development plan:	Required	Required
Exemplary credentials:	<a href="https://bsdacademicaffairs.uchicago.edu/page/reappointment-and-promotion-materials-currentrecent-faculty">https://bsdacademicaffairs.uchicago.edu/page/reappointment-and-promotion-materials-currentrecent-faculty</a>	
Normal term:	4 years	3 years
Maximum time in rank	None, but expectation is promotion to associate professor before or at the end of the first term of reappointment	3 years
Exceptions:	N/A	If untenured, for becoming a parent or other reasons; see <a href="http://tiny.cc/StopTheClock">http://tiny.cc/StopTheClock</a>
Multiple terms allowable	Yes (for good reason)	No
Timetable	See <a href="https://bsdacademicaffairs.uchicago.edu/BSDappointiveprocessguidelines">https://bsdacademicaffairs.uchicago.edu/BSDappointiveprocessguidelines</a> , Item 7	
<b>First-term Assistant Professor</b>		
Credentials:	Potential for outstanding contributions to the three mission domains as envisioned by the job description	Potential to make world-class contributions to knowledge, and significant educational and (if appropriate) clinical contributions
Other qualifications:	Terminal degree and training complete.	Terminal degree and training complete
Education and citizenship	Proposed if new; required if formerly Instructor in the BSD	Proposed if new; required if formerly Instructor in the BSD
Normal term:	Up to 4 years	~4 years; notified re reappointment on 15 Dec (for July-Dec starts) or 15 June (for Jan-June starts) of final year
